Oslo Børs shall consult Issuers and other interested parties before changes to this Rule Book Part II are announced save where such consultation is clearly unnecessary or impractical. (3) This duty of confidentiality does not cease upon the termination of an individual's appointment or employment.

(4) The duty of confidentiality imposed by this section shall not cause any obstacle to information being provided to the supervisory authorities.

2. ADMISSION TO TRADING RULES FOR ISSUERS

2.1 CONDITIONS FOR ADMISSION TO TRADING ON EURONEXT GROWTH OSLO

2.1.1 REQUIREMENT OF HAVING A EURONEXT GROWTH ADVISOR

An Issuer that applies for admission to trading on Euronext Growth Oslo shall enter into an assignment agreement with a Euronext Growth Advisor. The Euronext Growth Advisor shall assist the Issuer until its admission to trading by carrying out preparatory work, quality-controlling the suitability of the Issuer and its Shares for admission to trading, and producing documentation during the admission process. Oslo Børs publishes a list of approved Euronext Growth Advisors on Euronext Growth Oslo on its website. The conditions for approval as Euronext Growth Advisor follow from section 2.6.

2.1.2 GENERAL CONDITIONS

2.1.2.1 SUFFICIENT INFORMATION AND SUITABILITY FOR ADMISSION TO TRADING

(1) Shares issued by a public limited liability company, a private limited liability company or an equivalent foreign company may be admitted to trading provided the Issuer can provide sufficient

information for market participants to be in a position to determine fair market prices.

(2) Oslo Børs may, on the basis of an overall assessment of the suitability of an Issuer and its Shares, decide against admitting the Shares to trading, if Oslo Børs is of the view that this is appropriate in order to protect the interests of investors, general confidence in the stock market and the securities market, or based on any other appropriate grounds pursuant to Rule 3.7.3 in Rule Book Part I. This applies regardless of whether an Issuer satisfies all the requirements for admission to trading. There must be grounds for such refusal, cf. Rule 3.7.3 in Rule Book Part I. In addition to the matters referred to in Rule 3.1.4 in Rule Book Part I, attention will be paid to, inter alia whether significant shareholders have acted in such a manner as to make the Issuer deemed unsuitable for admission to trading.

2.1.4.3 MANAGEMENT COMPANIES

(1) Management Companies are obliged to comply with the provisions to which the Issuer would be subject were it to have carried out the functions itself. A breach of such rules caused by the Management Company shall be dealt with as if the breach was caused by the Issuer.

(2) Prior to submitting an application for admission to trading, the Management Company and the Issuer applying for admission to trading must provide Oslo Børs with a statement of acceptance that regulates the responsibilities and duties of the Issuer and the Management Company vis-à-vis Oslo Børs.

(3) In the event that the Issuer or the Management Company breaches the Rules or the agreement mentioned in the second paragraph, Oslo Børs reserves the right to impose sanctions on such party in accordance with section 3.18.

2.1.5 SHARES

2.1.5.1 ADMISSION TO TRADING BASED ON SPREAD OF SHARE OWNERSHIP AND NUMBER OF SHAREHOLDERS

In addition to the requirement in Rule 3.2.1, cf. 3.1.1 in Rule Book Part I the Issuer must fulfill the requirements set out in section 2.1.5.2 and 2.1.5.3 below. Oslo Børs may in its sole discretion grant an exemption from the requirement that the Private Placement must have been made during the year prior to the scheduled date of first admission to trading in Rule 3.2.1 (ii) in Rule Book Part I.

2.1.5.2 15% SPREAD OF SHARE OWNERSHIP

(1) At least 15% of the Shares for which admission to trading is sought must be distributed among the general public.

(2) The first paragraph is deemed to be satisfied if, at the time of admission to trading, the proportion of the Shares mentioned is distributed among persons who do not have such association with the Issuer as is mentioned in the fourth paragraph, and who each holds Shares with a value of at least NOK 5,000 (or equivalent in another currency). In case of doubt, Oslo Børs determines whether the requirement set out in the first sentence is satisfied.

(3) Shares held by persons who hold, individually or together with their close associates, more than 10%

of the Share capital or voting capital of the Issuer ("larger shareholders") cannot be included in the calculation. Close associates mean such persons and companies as mentioned in Section 2-5 of the Securities Trading Act.

(4) Shareholders that are associated with the Issuer are defined as follows:

3. the under-age children of a person mentioned in item 1 or 2,

2.1.5.3 SPREAD OF SHARE OWNERSHIP – NUMBER OF SHAREHOLDERS

(1) The Shares for which admission to trading on Euronext Growth Oslo is sought must be held by at least 30 shareholders, each holding Shares with a value of at least NOK 5,000 at the time of admission to trading. In case of doubt, Oslo Børs determines whether the requirement set out in the first sentence is satisfied.

2.1.5.4 FREE TRANSFERABILITY OF SHARES

The Shares shall be freely transferable, cf. Rule 3.1.4 in Rule Book Part I. Oslo Børs may derogate from the free transferability requirement in accordance with third sentence of this provision. If the Issuer pursuant to its articles of association, law or regulations made pursuant to law, has been given a discretionary right to bar a Share acquisition or to impose other trading restrictions, such right may only be exercised if there is sufficient cause to bar the acquisition or to impose other trading restrictions and such imposition does not cause disturbances in the market. For an Issuer being a Norwegian private limited company, it must generally be the case that its articles of association state that the consent requirement for Share acquisitions and the pre-emption rights of other shareholders pursuant to Section 4-15 (2) and (3) of the Norwegian Private Limited Liability Companies Act, shall not apply.

2.1.5.5 VOTING RIGHTS FOR SHARES

If the Issuer pursuant to its articles of association, law or regulations made pursuant to law, has been given a discretionary right to bar the exercise of voting rights, such discretionary right may only be exercised if there is sufficient cause.

2.1.5.6 MINIMUM MARKET VALUE OF THE SHARES AT THE TIME OF ADMISSION TO TRADING

The Shares for which admission to trading is sought must have an expected market value at the time they are admitted to trading of at least NOK 1 per Share.

2.1.5.7 REGISTRATION OF SHARE CAPITAL WITH A CENTRAL SECURITIES DEPOSITORY

Rule 3.1.4.A in Rule Book Part I does not apply for Euronext Growth Oslo. The Issuer's Shares in the Share class subject to admission to trading must be registered with a duly licensed central securities depository whereby adequate procedures for settlement related to trading on Euronext Growth Oslo are established. The requirement must be fulfilled at the time the application is submitted. In the case of foreign companies, the Issuer must have as large a proportion of the Share capital for which it is applying for admission to trading registered with a central securities depository, that the requirements of section 2.1.5.1, 2.1.5.2 and 2.1.5.3 are fulfilled for this proportion of its Share capital.

2.1.6 TIMING OF SHARE ISSUES AND ADMISSION TO TRADING

2.1.6.1 SHARE ISSUE PRIOR TO ADMISSION TO TRADING

(1) If a Public Offer takes place prior to admission to trading, the subscription period must end before the first day of admission to trading, cf. Rule 3.7.4 in Rule Book Part I. Any new Share issues carried out in connection with or parallel to the admission to trading must be registered with the Norwegian Register of Business Enterprises and entered into the central securities depository within the same period.

(2) Oslo Børs may at the request of the Issuer in special circumstances grant an exemption from the provisions of the first paragraph if the new issue is not necessary to satisfy the requirements for admission to trading.

(3) Documentation to be submitted related to Share issue prior to admission to trading in general and for foreign Issuers, is set out in a separate [Notice](#) referred to in section 2.2.

2.1.6.2 ADMISSION TO TRADING ON AN "IF AND WHEN ISSUED/DELIVERED" BASIS

(1) Oslo Børs may at the request of the Issuer in special circumstances decide to admit Shares to trading that have not yet been effectively issued and/or delivered ("if and when issued/delivered" trading).

(2) Admission to trading in such a situation as mentioned in the first paragraph must follow the rules for trading on "if and when issued/delivered" basis that applies for Oslo Børs' Regulated Markets for Shares, Oslo Børs and Euronext Expand.

2.1.7 REPORT OF RESERVES

Oslo Børs may require oil, gas or mining companies etc. applying for admission to trading to produce a statement of reserves in accordance with Section 133 of the ESMA update of the CESR recommendations on prospectuses to be included in the Application Form and the Presentation Document.

2.2 PROCESS OF APPLYING FOR ADMISSION TO TRADING

A separate [Notice](#) for procedures, documentation requirements and timetable for applying for admission to trading of Shares that applies in addition to application procedures and general documentations requirements in Rule Book Part I and Rule Book Part II will be issued by Oslo Børs.

2.3 INFORMATION DOCUMENT / PRESENTATION DOCUMENT

(1) The Information Document shall be controlled by the Issuer's Euronext Growth Advisor, who shall provide Oslo Børs with confirmation that such a control has been carried out in connection with the submission of the final Information Document and completed checklist. Such submission and confirmation shall take place within 08:00 hours three Trading Days before the first day of admission to trading, unless otherwise agreed with Oslo Børs.

(2) Rule 3.6.2 in Rule Book Part I does not apply for Information Document. Instead the Information Document must be publicly disclosed through NewsPoint no later than 08:00 hours on the first day of admission to trading.

(3) The content requirements of the Information Document are specified in Appendix III in Rule Book Part I. The liability statement in Appendix III in Rule Book Part I from persons responsible for the Information Document shall be signed by the Issuer's board of directors. The Information Document must also address any significant matters or characteristics associated with the Issuer or its Shares that are not covered by these content requirements, including (without limitation) sufficient information about any transactions that are planned for the period prior to admission to trading. For certain large transactions not reflected in the annual and/or interim reports to be included in the Information Document, detailed information shall be included in the Information Document as further set out in a separate [Notice](#) issued by Oslo Børs.

(4) Rule 3.6.2 in Rule Book Part I does not apply if the Issuer is using a prospectus pursuant to the Prospectus Regulation as its Presentation Document. Instead the Issuer must publish an announcement through NewsPoint detailing where the prospectus is available no later than 08:00 hours on the first day of admission to trading.

(5) If a clarifying disclaimer as set out in section 2.1 in Appendix III in Rule Book Part I (or similar) is not included on the front page of a prospectus that is used as Presentation Document, the Issuer must publish an announcement containing such disclaimer before admission to trading, cf. sixth paragraph.

(6) If significant information associated with the Issuer or its Shares is not included in the prospectus that is used as Presentation Document, cf. fourth and fifth paragraphs, such information must be published through NewsPoint no later than 08:00 hours on the first day of admission to trading.

2.4 ADMISSION TO TRADING OF RIGHTS TO SHARES

(1) Oslo Børs may resolve to admit preferential rights to subscribe for Shares and other subscription rights to Shares to trading.

(2) Rights to Shares may upon application by the Issuer, be admitted to trading if the rights are considered to be of public interest and can be expected to be subject to regular trading.

(3) The application must be submitted to Oslo Børs (listing@oslobors.no) together with a written report

on the rights no later than ten Trading Days before the rights are due to be admitted to trading. If the situation triggers a requirement for the Issuer to produce documentation in the form of a prospectus or equivalent document, Oslo Børs must receive this no later than at the time the application and report are submitted. The detailed requirements for the content of the application and written report as well as the procedure for admission to trading that apply for admission to trading of other rights to subscribe for Shares on Oslo Børs' Regulated Market for Shares, Oslo Børs and Euronext Expand, shall apply similarly to the extent appropriate. In evaluating the application, Oslo Børs will attach importance to whether the rights are considered suitable for admission to trading.

2.5 ADMISSION TO TRADING OF A NEW CLASS OF SHARES

(1) Oslo Børs may resolve to admit to trading on Euronext Growth Oslo for a limited period Shares that belong to a new class of Shares issued by an Issuer that has other classes of Shares admitted to trading on Oslo Børs' Regulated Markets for Shares, Oslo Børs or Euronext Expand.

(2) Following receipt of an application from the Issuer, Shares as mentioned in the first paragraph may be admitted to trading if the Shares are deemed to be of public interest and are likely to be subject to regular trading.

(3) The admission to trading rules for Euronext Growth Oslo apply similarly to the extent appropriate. Oslo Børs will determine more detailed requirements for the content of the application mentioned in the second paragraph and the procedure for admission to trading. In evaluating the application, Oslo Børs will attach importance to whether the Shares are suitable for admission to trading.

(4) The application mentioned in the second paragraph must be sent to Oslo Børs (listing@oslobors.no) at the latest six Trading Days before the Shares are to be admitted to trading. If the circumstance gives rise to a documentation requirement in the form of a prospectus or equivalent document, Oslo Børs must receive this at the latest at the time the application is submitted.

2.6 EURONEXT GROWTH ADVISOR

(1) Investment firms that qualify to undertake an assignment as a Euronext Growth Advisor include all investment firms that are Members on Oslo Børs/Euronext Expand and/or Euronext Growth Oslo that are authorised to provide corporate finance services, cf. the Securities Trading Act, Section 2-1 (1) item 6 and 7 and Section 2-6 (1) item 3. Such investment firm becomes approved by signing an addition to its existing membership agreement.

(2) Other investment firms that are not Members on Oslo Børs/Euronext Expand and/or Euronext Growth Oslo but that are authorised to provide corporate finance services as mentioned in the first paragraph can also apply to Oslo Børs to be approved as Euronext Growth Advisors. In evaluating such applications, Oslo Børs will carry out a comprehensive assessment of the applicant's suitability. This shall include, inter alia, the other authorisations held by the investment firm, the experience it and its employees have of the securities market, the relevant expertise of its employees, and any previous breaches of stock exchange or securities legislation.

1. The application form is available on Oslo Børs' website. Applications will be processed within four weeks of receipt, unless significant matters require further clarification.
2. Persons acting as advisors at a Euronext Growth Advisor that is not a Member on Oslo Børs/Euronext Expand and/or Euronext Growth Oslo shall attend a relevant training course at Oslo Børs. Exemptions may be granted if an advisor can provide evidence of sufficient experience

and expertise.

3. Foreign investment firms that are not authorised to provide corporate finance services in Norway may also apply to be approved as Euronext Growth Advisors. In assessing such applications Oslo Børs will consider, inter alia, the stock exchange and securities legislation that applies in the applicant's home state and other matters mentioned in the second paragraph.

(3) Regardless of whether an investment firm that is applying to be approved as a Euronext Growth Advisor satisfies all the conditions, Oslo Børs reserves the right to refuse an application if it considers that an applicant is not suitable at the time of its application and that approving the applicant could lead to an increased risk of the level of general confidence in the stock market, the securities market or Oslo Børs being weakened. There must be grounds for such a refusal.

(4) It is a requirement that the Euronext Growth Advisor, its employees and any other companies that are part of the same group as the Euronext Growth Advisor must be independent of the Issuer to which it provides assistance in connection with admission to trading on Euronext Growth Oslo:

1. The Euronext Growth Advisor cannot own in aggregate 10% or more of the Shares or voting rights in an Issuer that it is assisting. Oslo Børs shall be notified of any ownership interest and specific information shall be provided on this in the Application Form (for admission to trading) and in the Information Document.
2. No employee of the Euronext Growth Advisor is permitted to hold a senior position or a board position at the Issuer that the Euronext Growth Advisor is assisting in connection with admission to trading.
3. An owner that directly or indirectly owns 10% or more of a Euronext Growth Advisor cannot hold a senior position or a board position at the Issuer that the Euronext Growth Advisor is assisting in connection with admission to trading.
4. In special circumstances Oslo Børs can grant exemptions from the independence requirements set out in items 1, 2 and 3 where the relationship is of such a nature that it cannot be deemed to weaken the suitability of the Issuer for admission to trading. This applies, inter alia, in situations where a Euronext Growth Advisor is providing underwriting services in connection with capital increases. Any such exemptions from the independence requirement shall be reported in the Application Form (for admission to trading) and in the Information Document.

(5) Oslo Børs shall be notified as quickly as possible of any special changes at the Euronext Growth Advisor's organisation that may create grounds for conflicts of interest with the Issuer that has hired its services or that may influence the Euronext Growth Advisor's independence or ability to meet its obligations pursuant to the admission to trading rules, such as, inter alia, notification of loss of authorisation and decisions on mergers or liquidation.

3. CONTINUING OBLIGATIONS FOR ISSUERS

3.1 EQUAL TREATMENT

(1) Issuers must treat holders of their Shares on an equal basis. The Issuer must not expose holders of its Shares to differential treatment that lacks a factual basis in the common interest of the Issuer and its shareholders.

(2) In connection with the trading or issuance of Shares or rights to such Shares, the Issuer's corporate bodies, elected officers or senior employees must not adopt measures which are likely to confer upon

themselves, certain owners of Shares or third parties an unreasonable advantage at the expense of other shareholders or the Issuer. The same applies in respect of the trading or issuance of Shares or rights to such Shares within the group to which the Issuer belongs.

3.2 GOOD BUSINESS PRACTICE

- (1) No-one may employ unreasonable business methods when trading in financial instruments.

3.4 COMPANY INFORMATION IN NEWSPPOINT

The Issuer must within the first day of admission to trading register information about the Issuer that Oslo Børs requires to be recorded in its electronic portal for issuers, NewsPoint. In the event of any subsequent changes to the information, the Issuer must ensure that such changes are updated in NewsPoint without delay.

3.5 INFORMATION TO BE PROVIDED TO OSLO BØRS

Oslo Børs may demand that the Issuer, the Issuer's elected officers and the Issuer's employees must provide Oslo Børs with all the information that in the view of Oslo Børs is necessary for the exchange to ensure that the trading and admission to trading are in accordance with these rules, the trading rules and general rules pursuant to securities legislation and regulations issued pursuant to legislation.

3.6 LEI, CFI AND FISN CODES

- (1) In addition to LEI code, cf. Rule 4.1.1 in Rule Book Part I, the Issuer shall at all times have an active CFI and FISN code for as long as its financial instruments are admitted to trading on Euronext Growth Oslo.
- (2) The Issuer must submit LEI, CFI and FISN codes to Oslo Børs (ma@oslobors.no), and any changes thereof, as soon as these are in place or changed, as relevant.

3.7 RECOVERY BOX AND PENALTY BENCH

3.7.1 GENERAL

- (1) Before a Security is allocated to the Recovery Box or Penalty Bench, the Issuer shall if possible be informed and be given the opportunity to express its views. The decision may not be appealed.
- (2) Allocation of a Security to the Recovery Box and Penalty Bench has no bearing on the Issuer's

obligations pursuant to the Rules.

(3) Oslo Børs shall without undue delay publish a decision to include or remove a Security from the Recovery Box or Penalty Bench. The reason for placing a Security in the Recovery Box and Penalty Bench shall where possible be stated upon publication.

3.7.2 RECOVERY BOX

(1) Oslo Børs may decide to allocate a Security to the Recovery Box if the Issuer is subject to circumstances that make pricing of the Securities particularly uncertain.

(2) Oslo Børs will remove the Security from the Recovery Box when the circumstances for the allocation of the Security to the Recovery Box are no longer present.

3.7.3 PENALTY BENCH

(1) Oslo Børs may decide to allocate a Security to the Penalty Bench if the Issuer fails to comply with the Rules.

3.8 PUBLIC DISCLOSURE OF INSIDE INFORMATION

3.8.1 THE CONTENT OF THE DUTY OF DISCLOSURE

(1) The Issuer shall as soon as possible and on its own initiative publicly disclose inside information that concerns the Issuer directly, cf. Section 3-2 (1) to (3) of the Securities Trading Act.

(2) Inside information shall mean any information of a precise nature relating to financial instruments, the Issuer thereof or other circumstances which has not been made public and is not commonly known in the market and which is likely to have a significant effect on the price of those financial instruments or of related financial instruments.

(3) Information shall be deemed to be of a precise nature if it indicates circumstances that exist or may reasonably be expected to come into existence or an event that has occurred or may reasonably be expected to occur and which is specific enough to enable a conclusion to be drawn as to the possible effect of those circumstances or that event on the price of the financial instruments or related financial instruments.

(4) Information which would be likely to have a significant effect on the price of financial instruments or related financial instruments shall mean information of the kind which a reasonable investor would be likely to use as part of the basis of his investment decisions.

(5) Information such as is mentioned in the first paragraph shall be published in accordance with section 3.12.

(6) The Issuer must not combine the public disclosure of information as mentioned in the first paragraph with its marketing in a way that is liable to mislead.

(7) Information that shall be notified or publicly disclosed as a result of listing or admission to trading on other marketplaces shall be publicly disclosed at the latest in accordance with section 3.12.

3.8.2 DELAYED PUBLICATION

(1) The Issuer may delay the public disclosure of information mentioned in section 3.8.1 (1), in order not to prejudice its legitimate interests, provided that such delay does not mislead the public and provided that the information is managed confidentially.

(2) Legitimate interests as mentioned in the first paragraph may typically relate to:

1. Negotiations in course, or related elements, where the outcome or normal pattern of those negotiations would be likely to be affected by public disclosure. In particular, in the event that the financial viability of the Issuer is in grave and imminent danger, although not within the scope of the applicable insolvency law, public disclosure of information may be delayed for a limited period where such a public disclosure would seriously jeopardize the interest of existing and potential shareholders by undermining the conclusion of specific negotiations designed to ensure the long-term financial recovery of the Company.
2. Decisions taken or contracts made which need the approval of another body of the Issuer in order to become effective due to the organization of the Issuer, provided that public disclosure of the pending decision or contract together with the simultaneous announcement that final approval is still pending would jeopardize the correct assessment of the information by the public.

(3) The Issuer must, on its own initiative, promptly notify Oslo Børs of any delay in disclosing information, including the background for the decision to delay publication. This duty of notification does not apply to the deferred publication of financial information in annual reports or interim reports published in accordance with the Issuer's financial calendar, cf. section 3.11.6.

(4) If the Issuer has reason to believe that information as mentioned in the first paragraph is known to or is about to become known to unauthorized parties, the Issuer shall without delay and on its own initiative publish the information in accordance with section 3.12.

3.8.3 MANAGEMENT OF INFORMATION PRIOR TO PUBLICATION

(1) The Issuer must not disclose inside information to unauthorized persons.

(2) The Issuer must handle inside information with due care so that the inside information does not come into the possession of unauthorized persons or is misused.

(3) The Issuer must have procedures in place for secure handling of inside information.

(4) The Issuer must be able to submit to Oslo Børs on request a list of everyone given access to inside information. If access to inside information is given to a legal entity, the list must include those of the entity's employees, elected officers, advisers etc. who are given access to the information.

(5) The list must include information on:

1. the identity of persons with access to inside information,
2. the date and time the persons were given access to such information,
3. the persons' office or employment,
4. the reason why the persons are included on the list, and
5. the date of entries to the list.

(6) The Issuer must ensure that persons given access to inside information are aware of the duties and

responsibilities this involves, as well as the criminal liability associated with misuse or unwarranted distribution of such information. The Issuer must be able to satisfy Oslo Børs that persons with access to inside information are aware of their duties pursuant to the first sentence.

3.8.4 DUTY OF PRIOR NOTICE WHEN PUBLICLY DISCLOSING PARTICULARLY PRICE-SENSITIVE EVENTS

If the Issuer, at any time during the opening hours of Euronext Growth Oslo, is to publicly disclose information on a take-over bid or a profit warning or other specific matters that must be assumed to have a significant effect on its share price, it must contact Oslo Børs prior to making such public disclosure.

(3) In the event of any change in share capital, in the number of votes or in the number of Shares issued, the Issuer shall immediately make public that the change has been made and the amount of its new share capital and the total number of votes and Shares issued.

(2) The Issuer may apply to Oslo Børs to have its Shares removed from trading on Euronext Growth Oslo if a general meeting has passed a resolution to this effect with the same majority as required for changes to its articles of association. It is possible for Issuers that have been admitted to trading or have been approved for admission to trading on another approved marketplace, however, to be removed from trading upon application by the Issuer without the matter having to be considered at a general meeting. It is Oslo Børs that decides whether to remove an Issuer from trading. Oslo Børs may in special circumstances grant an exemption from the first sentence.

(3) Before a decision on removal from trading is made, the question of removal from trading and which measures if any that could be implemented in order to avoid removal from trading shall be discussed with the Issuer. If the circumstance that justifies removal from trading can be rectified, Oslo Børs can grant the Issuer a certain period of time in which to rectify the circumstance or it may order the Issuer to draw up a plan in order to re-satisfy the conditions or rules. Concurrently the Issuer shall be advised that if the circumstance is not rectified or a satisfactory plan is not presented by the deadline, consideration will be given to removing the financial instruments in question from trading.

(4) Oslo Børs shall immediately publish a decision regarding removal from trading and provide Finanstilsynet information on the matter.

(5) Finanstilsynet can instruct Oslo Børs to remove an Issuer's financial instruments from trading if they no longer satisfy the terms and conditions for trading.

(6) The decision to remove financial instruments from trading shall state the date on which removal from trading will be implemented. When fixing the date for removal from trading, consideration shall be given inter alia to allowing the Issuer a reasonable period to adjust to the fact that its Shares will no longer be traded.

(7) If the Issuer's Shares are removed from trading based on an application from the Issuer, the decision on removal from trading may set further conditions that must be fulfilled before the removal is implemented.

When deciding the size of the charge, Oslo Børs will attach importance to the Issuer's market capitalization and financial condition, as well as to the seriousness of the breach and its character in general.

(4) An Issuer upon which a violation charge is imposed shall be notified in writing of the decision, and the grounds for the decision. Moreover, information shall be provided on the right to appeal to the Euronext Growth Oslo Appeals Committee, the deadline for any appeal and the procedure for appeal.

(5) The decision and the grounds for the decision shall be published unless there are special grounds for not doing so.

3.19 REPORTING TO FINANSTILSYNET
