Issuer Services

Oslo Børs, VPS and OMS offers a broad range of services for publically listed companies.

Publicly listed companies face expectations and requirements from investors, employees, authorities and others. For a complete overview of our issuer products kindly visit Products and services at www.oslobors.no

Distribution of Company Announcements

Efficient and secure distribution that meets all reporting requirements. The service includes public announcements through [Newsweb](#). It also includes registering information in the Officially Appointed Mechanism (OAM), as well as distribution via the Oslo Børs newsfeed and trading system.

Top 20 Shareholders

An overview of the 20 largest shareholders in your company with weekly updates. We provide a seamless integration of the shareholders list to your website.

IR Web Modules

The IR Web Modules give easy access to relevant data, including current share price, the order book, broker statistics, financial calendars, dividends, public announcements and executed trades. The modules features responsive web design as well as functional integration with existing websites. To meet any IR requirements, both standardized solutions with basic features and broader customized solutions are available.

Nominee ID

Identification of beneficial owners and fund managers for securities held in nominee accounts.

VPS Employee Share Saving

A complete product for companies who invite and encourage employees to participate in the company's growth and value creation. The solution streamlines your share-based remuneration programs.

VPS General Meetings

Efficient and professional support for general meetings. The product covers the entire range from distributing the notice calling a meeting to the meeting itself.

NewsPoint InsiderTool

In 2018, Oslo Stock Exchange will launch NewsPoint InsiderTool, a new tool for managing insider lists and for supporting the process of delayed publication. The tool will comply with all formal requirements according to the Market Abuse Regulation ("MAR"). NewsPoint InsiderTool will be integrated in Newspoint, the Oslo Stock Exchange's portal for listed companies.

If you have any inquiries or would like further information on streamlining your IR requirements kindly contact us at +47 22 34 17 04 or sales@oslobors.no.
